

Turn ideas into reality with AI!

AI IDEA COMPETITION

Sol-AIM

Sol-AIM (AI Innovation Movement)

An AI Idea Competition where Woosong University students, faculty, and staff use natural language-based AI coding tools to build and present **executable prototypes** that solve real problems arising in their major, courses, research, administrative work, and university operations.

01 Competition Overview

1 semester Present AI-based problem-solving ideas by field or department.

2 semester Develop functional outcomes such as apps, services, chatbots, automation scripts, data analysis tools, and work-support systems through AI-assisted coding.

02 Eligible Participants & Categories

(Individual or Team of up to 4 Members)

Eligible	Categories
Students	AI-integrated apps, services, and tools related to majors, learning support, or career development.
Faculty	AI-driven teaching innovation, research systems, simulations, and automation ideas.
Staff	Administrative innovation, workflow automation, AI chatbots, and data management tools.

03 Award

Award	Student Division	Faculty Division	Staff Division
Grand Prize	1 Team / KRW 500,000	1 Team / KRW 500,000	1 Team / KRW 500,000
Excellence Prize	3 Teams / KRW 300,000 each	1 Team / KRW 300,000	1 Team / KRW 300,000
Merit Prize	5 Teams / KRW 200,000 each	1 Team / KRW 200,000	1 Team / KRW 200,000

03 Main Schedule

Category	Schedule	Remarks
CategoryDate Application & 1st Submission	May 21 ~ June 2	Online Application
Document Screening	June 4	Selection of Finalist Teams
Finalist Announcement	June 5	Individual Notification
Final Presentation Material Submission	June 8	Submission of Presentation Materials
Final Presentation & Evaluation	June 10	10-minute Presentation + 5-minute Q&A
Winner Announcement	June 15	Individual Notification
Award Ceremony	June 18	Award Ceremony

- **(Application Period)**
May 22, 2026 (Fri) ~ June 2, 2026 (Tue), 18:00
- **(Application Method)**
Submit via Google Form & QR code
<https://forms.gle/LACJ6waH7DkPSbVX8>

- **1st Submission Documents (All Teams)** ※Must be uploaded to the Google Form by June 2 (Tue), 18:00
- Application Form (provided template, PDF)
- Idea Proposal Summary (A4, 3 ~ 5 pages, PDF)
- **2nd Submission Documents (Finalist Teams Only)**
※ **Submission of Materials by June 8, 18:00**
- 10-minute presentation materials (PDF, PPT, video, etc.)
