Student Intern Scholarship	For a student who works at administrative department as a part-time worker each semester		Scholarship according to payment instructions
Scholarship for Students Recommended by Developing Countries	For a student from developing country recommended by the university with an agreement according to the industry’s regulations		Full tuition for each semester (excluding entrance fee)

#1: Students must be enrolled in the previous semester.

#2: Minimum of 15-credit load of courses (excluding Winter/Summer semester) with no “F” in any courses.

#3: Not eligible if all the courses are of P/F type.

#4: GPA = 15-week. CGPA = Cumulative GPA. Based on the higher of the two.

**All scholarships are tuition-based. There is no financial aid available for cost of living expenses like dormitory, meal plans, books, medical insurance, student activity fees, and other living expenses. These other costs are not covered by Admissions or Merit-based scholarships and these expenses are borne by applicants.*
