

Contact Information Update Instructions

To change your contact details (email and telephone number), go to Woosong University infosystem at <https://wsinfo.wsu.ac.kr/>, log in and follow the below instructions.

It is really important students keep their contact details up-to-date so University administrators and professors can contact them easily.

*** change phone number and email address only ***

5. Enter your password to confirm
6. Click confirm (확인)
