※ All departments/majors must satisfy BOTH the common university-wide requirements AND their respective department/major graduation requirements.

※ Detailed information on the specific certifications recognized for each department/major shall be determined by each department's own standards and communicated to students via the department website, bulletin boards, etc.

※ Department/major names used in this document reflect the most recently revised official names. Students who enrolled under a previous department/major name must follow the graduation requirements of the department/major under its current name.

※ Transitional Provisions:

1) Students who fulfilled the Graduation Comprehensive Examination requirements under the previous guidelines prior to 2025 shall have their qualifications recognized as valid.
