DUAL DEGREE PROGRAMS HANDBOOK

TABLE OF CONTENTS

ABOUT THE PROGRAM

In the tradition of expanding students' experience and knowledge within the scope of higher education, Woosong University (WSU) actively engages in dual degree programs for undergraduate students with its partner universities. This document is meant to serve as a guide for students interested in applying for 2+2 programs. In this document, students can find definitions, requirements, and obligations of Woosong 2+2 programs.

PROGRAM REQUIREMENTS & PROCEDURE

The outbound 2+2 program provides WSU students with the opportunity to complete 50% of their studies at WSU and complete the remaining 50% at a partner university. Students can obtain two degrees at the completion of the 2+2 program. In order to qualify to participate in the program, students must fulfill the criteria set by WSU and the host university.

Generally, students who go on dual degree programs pay tuition to the universities they study at, respectively. They are required to pay tuition, enrollment fees to the host university and other expenses such as residence, activity fees, medical insurance, flights, etc. to the host university. In some instances, however, the agreement between WSU and the partner university may include tuition deduction at the host university. Students areadvised to consult with the Study Abroad Office about the payment terms before selecting a partner university.
